

# ALPHA SERIES™

The toughest seat for the wildest crowds.

## GA and Club Seating

The Alpha Series is a low cost stadium seat with the strength and durability required for the toughest of crowds.

Alpha chairs are individually mounted directly to treads or risers providing uniform seat centers and perfect aisle alignment.

The chair range offers flexibility with numerous mounting options, and a complete array of accessories can transform the standard Alpha Raw chair into the highest end VIP solution.

Alpha chairs are delivered to site fully assembled in cartons to make installation (like maintenance) quick and simple.

ALPHA VIP

## FEATURES AND BENEFITS

- **Mounting systems**
  - Tread
  - Riser
- **Materials**  
Engineering grade plastic polypropylene shells, composite glass filled nylon side supports
- **Tilt mechanism**  
Two multi-coil torsion springs ensuring consistent and reliable seat return position
- **Fully enclosed pivot mechanism**
  - Factory assembled (no on-site assembly)
  - Recessed into the chair to prevent finger entrapment
  - Maintenance free for the life of the product

## MAINTENANCE

- **Quick installation of the product**  
Detachable lock system ensures individual seats can be quickly removed from steel uprights and replaced in seconds

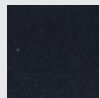

## UPHOLSTERY

- **Range of faux leather (PU) or marine grade vinyl (PVC)**  
Seat and back can be individually upholstered to create Alpha VIP, designed for club sections within stands.
