

# EVOKE SERIES™

Compact and comfortable.

## Theatre and Auditorium Seating

Evoke is a luxurious seating system specifically designed for conference, convention and educational facilities.

The fully upholstered seat and backrest cushions are ergonomically contoured molded polyurethane, providing exceptional long term seating comfort. The Evoke seating series is also winner of the Good Design Award.

The backrest can be fixed, or articulated using a gas-spring for additional access along rows. Evoke and JOT tablet offer all the solutions required in today's modern multi-purpose facilities.

Evoke JOT
