

FORTE HIGH-BACK™

Rail seating reaching new heights

GA and Club Seating

From the Forte Series comes the new Forte High-Back.

Continuing on not only the comfort and ergonomic support of the Forte Series, the Forte High-Back comes with the same flexibility venue managers require with our patented beam technology.

The Forte High-Back features a 1070mm ergonomic back rest backrest height allowing for a more comfortable seating position, as well as a height compliant chair with riser barrier regulations.
