

ACTIVA SERIES™

Designed to perform

GA and Club Seating

The Activa range from Camatic Seating, installed all around the world provides for one of the most effective seating solutions in cinema seating. Elegant, contemporary designs provide patrons with hours of comfort as they sit back, relax and enjoy the show in style.

Designed in consultation with world renowned ergonomists, the Activa range offers extremely high levels of comfort in both fixed and reclining backrest versions. From GA, Club and Premium seating, Activa provides venues with a range of exciting design alternatives and has proven itself in the market place for over 15 years.
