

QUANTUM™ SQ

The world's best stadium seating transformed.

GA and Club seating

From the world acclaimed Quantum™ Series comes the Quantum SQ (*Square-back*), designed for modern stadiums looking for a contemporary design and the performance of Camatic's patented beam mounted seating system. The Square-Back design gives architects the effect of perfectly aligned continuous rows when installed in large volume particularly major stadiums.

The Quantum SQ utilizes Camatic's patented beam mount system which maximizes venue capacity and reconfiguration whilst also providing for faster installation and change-out times. The ergonomic profile of the Quantum Series remains in the Square-Back design and compliments aesthetics of any contemporary venue.
