

GA Bleacher Seating

The latest in the world renowned sports seating line up from Camatic comes the Curve Series, Camatic first adapted bleacher seating system. The Curve Series seat is moulded from durable polypropylene, easy to install, aesthetically pleasing and designed with patrons comfort in mind.

Seats are designed to individually "snap" into place on existing aluminum 50mm (2") x 250mm (10") planking. The Curve Series allows venues to clearly define individual seating positions and colorize grand stands to their liking.

CURVE
